

Note from the editor, Tim Treese. This is a recovered segment of a not-yet-produced episode of Young Sheldon, the biggest comedy on television. I cannot disclose my sources, but I can disclose that this is only the finale of the episode. The first 17 pages were irrecoverably lost, so we start on page 18:

INT. SHELDON'S APARTMENT - NIGHT

YOUNG SHELDON exits the time machine, and enters OLD SHELDON's apartment.

YOUNG SHELDON

(douchily)

I guess my calculations about the time vortex were correct! Not that it's surprising that my calculations would be correct.

OLD SHELDON

(douchily)

No one boasts about their calculating ability in my apartment! I challenge you to a calculate-off!

(laugh break)

YOUNG SHELDON

(douchily)

Even if you're my future self, I have never met an intellectual equal in all my 8 years! I will take you down with gusto.

(laugh break)

OLD SHELDON

(douchily)

Get ready for my...

YOUNG SHELDON braces for whatever OLD SHELDON is about to say...

OLD SHELDON

(douchily, loudly)

LASER POINTER!

(laugh break)

We see a montage of academic back-and-forth between YOUNG and OLD SHELDON. Included in this are: YOUNG SHELDON pointing at a pie chart (laugh break), OLD SHELDON scanning through a comically large book and mouthing "Ah HA!" (laugh break), YOUNG SHELDON completing a complex equation on a blackboard (laugh break), and OLD SHELDON wearing science clothes and holding a frothy beaker (laugh break). End of montage, fade into YOUNG and OLD SHELDON fighting on the floor.

OLD SHELDON  
(douchily)  
I'M ALWAYS RIGHT

YOUNG SHELDON  
(douchily)  
NO, I'M ALWAYS RIGHT

Suddenly, the time machine beeps, and the door opens. Smoke rolls out of the door and we see a leg with a cowboy boot walking out. BLAKE SHELTON emerges.

YOUNG AND OLD SHELDON  
(douchily, simultaneously)  
GASP!

BLAKE SHELTON  
(countrily)  
Hello friends, looks like  
y'all could use a PEPSI  
break.

BLAKE SHELTON opens a briefcase full of high-quality, reasonably priced PEPSI products.

BLAKE SHELTON  
(countrily)  
Here, OLD SHELDON, I know  
you've been trying to cut  
carbs lately, have a DIET  
PEPSI.

OLD SHELDON takes the DIET PEPSI and starts sipping douchily.

YOUNG SHELDON  
(douchily)  
I don't like soda! It's an  
assault on the senses.

BLAKE SHELTON

(countrily)  
Dang, kid, you need to mellow  
out! Y'all's from Texas after  
all, right? Here, try this  
CODE RED MOUNTAIN DEW.

YOUNG SHELDON takes the can from BLAKE SHELTON, obviously skeptical. He pops it open and sniffs it. Immediately his eyes become saucers, and he finally shuts up and gulps the delicious beverage.

OLD SHELDON  
(douchily)  
BLAKE SHELTON, thanks for  
showing us the meaning of  
family on this holiest of  
days, Christmas.

BLAKE, YOUNG, AND OLD SHELDON  
(douchily, simultaneously)  
From the Sheldon family to  
yours, have a Merry Pepsi  
Christmas!
